## **CLOUDBANK EXPANDS TO ACCELERATE AND BROADEN ACCESS TO PUBLIC CLOUD RESOURCES**

**NSF DEAR COLLEAGUE LETTER (NSF 22-087) EXPANDS CLOUD ACCESS TO  
ANY NSF CISE-FUNDED RESEARCHER**

- Active CISE-funded Principal Investigators (PI) are eligible
- Requests for resources made directly to CloudBank - no NSF proposal required
- Cloud awards do not count against future supplemental requests to PI's an existing award
- Simpler request process - decision within two weeks
- Continuous acceptance of requests, with no submission deadlines
- Resources are awarded on an annual basis, with the potential for renewal
- Manage resources via the CloudBank portal, which allows awardees to use their cloud resources on any of the partner providers (AWS, GCP, Azure and IBM)
